Did you see "The Westerners," "The Sagebrusher" or "Riders of the Purple Sage"? If so, wild horses can't keep you away from "The Lone Hand." If you did not, then do not let anything prevent your personal experience at the Palace. "The Lone Hand" is a wonderful picture.

"The Man Who Dared", William Russell's latest William Fox production is one of the finest Western pictures ever turned out by Fox Film Corporation. It actually breathes the spirit of the West, with its scenes in the great Redwood forests of California. "The Man Who Dared" is a winner! Specially arranged musical score fits the picture and many "popular hits" on the program.

"True Lovers' Knot" Explained. A true-lovers' knot is the Danish love-love-knot, "betrothment bond," not a compound of true and love.

TOOK PHYSIC EVERY NIGHT

Then She Heard of "FRUIT-A-TIVES"
and Cured Herself of Constipation

MRS. JOHN CAPOZZI

Ashford, New York.

"I feel it my duty to tell you what 'Fruit-a-tives' or Fruit Liver Tablets did for me."

I tried several kinds of physic for over three years; and, of course, while I took it every night my bowels would move; but as soon as I stopped taking physic, I would be constipated and would have Piles terribly.

I heard of 'Fruit-a-tives' and bought one box and took them. Now I am not troubled any more with Constipation and no more Piles. 'Fruit-a-tives' did for me what no other medicine ever did; they left no after-effects, and now I do not have to use physic.

I recommend 'Fruit-a-tives' to all my friends."

Mrs. JOHN CAPOZZI.

Sunday School a Woman's Idea. The credit of organizing the first Sunday school in the United States is due to a woman, Miss Sarah Galt, who died at her home in Paterson, N. J., in 1822 at the age of ninety years. Miss Galt's original idea was to teach the little boys to read and write and from this the school gradually grew into a means of extensive religious instruction.
